

ZONING/CODE ENFORCEMENT SERVICES

Boucher & James, Inc. can offer consulting services to provide administrative assistance in enforcing the various codes and ordinances enacted in your municipality. Acting on the municipality's behalf as the Zoning Officer/Assistant Zoning Officer, we will rely on our wealth of knowledge and experience to personally meet with municipal officials, residents, and design/construction professionals to resolve any ordinance violations or issues. Our professionals can provide the knowledge, skill, and expertise required to supplement your current municipal staff or, if necessary, provide you with permanent staffing. We can custom tailor our services to meet your specific needs.

Overview of Services Offered

- Zoning Officer/Assistant Zoning Officer
- Zoning Administration
- Property Maintenance Code Enforcement
- Code Violation Resolution
- Permit Processing
- Zoning Application Processing
- Code and Ordinance Amendments
- Plan Review
